. In terms of Section 12 of the Bombay Village Panchayt Act, 1958 the State Election Commissioner by order has to notify the list of voters as included in such ward or village. The State Election Commissioner has notified 31st March, 2007 as the date for consideration of the electoral roll. Admittedly the petitioner's name was not there on the electoral roll of 31st March, 2007. Once that be the case, no case made out for interference in the exercise of extra ordinary jursidiction. Writ Petition rejected.
